**KUBOTA POWERED - READY TO RENT**

# When you choose Kubota-powered equipment for your rental fleet, your company is in good hands.

With our proven dedication to powerful, reliable and clean engines, Kubota is the right partner for top-quality, sustainable products, supplied by people who truly care about your profitability. With our excellent customer service and support, Kubota's fundamental commitment to you is your competitive advantage.

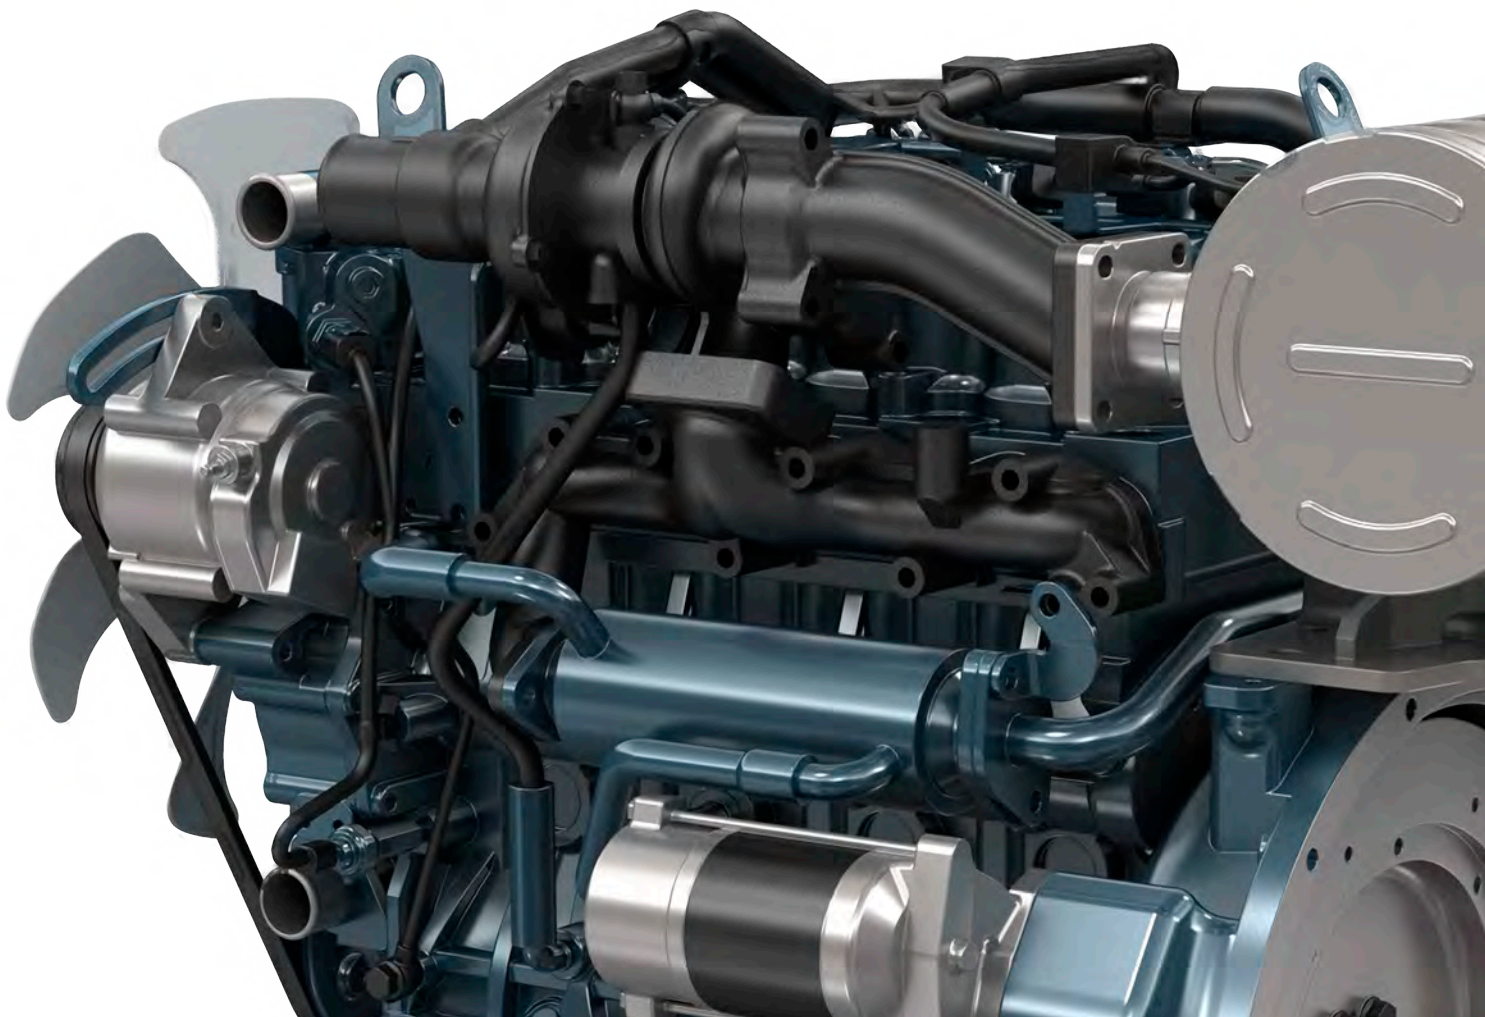

**Kubota is the leading industrial diesel engine manufacturer and has been producing engines since 1922. With over 30 million engines produced, you can trust Kubota to power your rental fleet.**

**Kubota offers a full range of industrial engines from 4.5 HP up to 210 HP:**

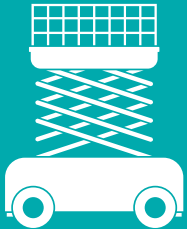

- Diesel up to 210 HP
- Spark-ignited up to 93 HP

Our spark-ignited engines are based on the diesel industrial engine platform, making them just as robust, reliable and, most importantly, interchangeable. Both our diesel and spark-ignited engines are an excellent choice for your rental fleet.
